

## About the issue of Health check-up Certificate

Only who underwent a Health check-up here, you can get a certificate.

### ◎By the issuing machine

You can get a certificate by the issuing machine in the campus from June 28th, 2024 to March 26th, 2025. (Those who will graduate on March 2025, you can get it by March 24th, 2025.)

#### Note:

Even if you take a re-examination because of your abnormal results, you will get a certificate with abnormal results by the machine. If you would like to get it with good results (after re-examination), please come to Health Service Center.

### ◎By coming to Health Service Center

We need the application for issue of certificate. We will start to accept the application on May 20th, 2024. You can pick it up after May 27th, 2024.

If you submit the application after June 28th, 2024, you can get a certificate 2 days later. (excluding Saturdays Sundays and National holidays)

You can get a certificate until March 31th, 2025. Those who will graduate can get it until March 24th, 2025.

#### Note:

It will take 2 weeks for the issue of English certificate and vaccination, antibody test certificate.

If you would like to get these certificate, please contact us as soon as possible.

If you have any question, please contact us.
